We offer luxury, fully equipped DESERT WOLF LYNX and LEO stainless steel safari trailers for rent. Ideal for anything from overland trips to our neighbouring countries to luxury camping holidays in our national parks and many other lovely places. Our trailers are mobile townhouses on wheels, complete with kitchen, pantry, bedroom and living room. Our philosophy is to have a space for everything – you don't unpack anything but a table and chairs, the rest stays in its space in the trailer. Setting up a typical camping site should never take no more than 10 minutes.

Model	LYNX	LEO
Off road capability	The best you will find in any trailer! Super-strong 3CR12 chassis with equipped with 2500kg axle, leaf springs, safari shock absorbers and axle stabiliser arms.
